5. Members **may submit multiple entries up to 5 in total.**
6. Projects completed as part of a joint venture are acceptable, *as long as all joint venture partners performing electrical work are NECA members.* Winning projects will be awarded in the name of all joint venture partners, but only one award will be handed out.
7. Each entry **must be submitted with a project photo(s).** Projects submitted without project photo(s) will not be considered. It is the applicant's responsibility to obtain permission from the project owner. The Chapter reserves the right to reuse the pictures for the purposes of promoting the Project Excellence Awards.
8. **The awards committee will make the award selections based on criteria including originality, aesthetics, difficulty of installation, quality of workmanship, and application of technology. At the committee's discretion, one or more projects may be awarded.**
9. Awards for the winning projects in each category will be **presented at the NECA Holiday Party in December.**

Please complete and return the attached entry form along with a project photo(s) to the Chapter. We must receive completed forms and photo(s) no later than October 31, 2022.
